A LITTLE BIT ABOUT ME

I am seeking a part time opportunity where I can utilise and further develop my IT skills. I have a keen love for technology, the outdoors, music, mountain biking and I get a lot of satisfaction out of helping people.

EDUCATION

2011 – 2017: Baulkham Hills North Public School

2018 – 2023: William Clarke College

2024 – 2027: University of Technology Sydney (Bachelor of IT, Diploma of IT Professional Practice)

I am in my first year of University at University of Technology Sydney and am very proud of my academic achievements. Below is an excerpt from my most recent school report from my tutor (pastoral) leader.

"Mason is an enthusiastic, hardworking and outgoing student who has shown great leadership."– **Ms Simone Phillips**
